DISTINGUISHING FEATURES OF THE CLASS:

This is an advanced level position which involves specialized technical work related to community, county, and regional planning. Incumbents are responsible for performing research, preparing reports and studies, and recommending solutions to complex planning problems. The class differs from that of Planner by virtue of being an advanced level position in the planner series, whereas Planner is a journey level position. Work is performed under the general supervision of a higher level employee with considerable leeway allowed in carrying out work assignments. Supervision of others may be a responsibility of the position. Travel in the course of a workday is required. Assignments outside of normal working hours will be received.

TYPICAL WORK ACTIVITIES:

Typical work activities for incumbents in this title include those listed below in addition to those work activities performed by lower level support titles. They are indicative of the level and types of activities performed by incumbents in this title. They are not meant to be all inclusive and do not preclude a supervisor from assigning activities not listed which could reasonably be expected to be performed by an employee in this title.
